~~SECRET~~
Office Memorandum • UNITED STATES GOVERNMENT

TO : MEMORANDUM FOR THE RECORD

DATE: 10 March 1958

FROM : Deputy Chief, Economic Research, ORR

SUBJECT: Request for Additional Economic Data, Supplementary to the NIE
on Stability and Cohesion in the Satellites

25X1A9a

1. [REDACTED] informed me this morning that he had been advised that in connection with the development of an NSC policy statement on Poland, General Cutler, Executive Assistant to the President, had consulted the referenced NIE for economic information and, of course, had failed to find it. The General, thereupon, placed an urgent request through Osborne Webb for a memorandum from ORR on the subject of the Polish economy; as a result [REDACTED] of A/E had spent the weekend in the office. 25X1A9a

2. Dissatisfaction at the NSC level with the absence of economic material in the NIE suggests the need for a stronger initiative on our part vis-a-vis ONE.

25X1A9a 3. The substance of this memorandum was discussed with [REDACTED] this morning and we plan to raise the question with the Division chiefs.
